STAT

STAT

1. [Redacted] has told me that you are the staff officer for preparation of ORR's response to the CCPC/USIB Chinese paper. As he will have told you, [Redacted] is acting as the staff officer for the Agency. Attached is [Redacted] distribution of responsibility between the directorates.

2. [Redacted] assigned items 6 and 9 of the "Principal Gaps in Information" [Redacted] is obvious, however, that ORR should and will want to say something about one if not both and I am sure you plan to do so. At your convenience I should like to check with you on those items which you are considering as political and therefore as being left to me.
